

LOVE 101 PLEDGE

I give thanks for living and I will make the world a better place!
I will get, give and Share LOVE with the entire human race!

I will read, write and listen to acquire knowledge, because I
know knowledge is the key,
that opens up the door for me, to this world, of unlimited
prosperity.

I will always respect others, and I will respect myself,
because with so many different opinions, it's needed for health
and wealth.

I'll maintain a positive attitude, towards everything and
everyone,
because fear and negativity, will never make life fun.

There's no such thing as failing, so I can never fail.
If I stumble, fall, get a bump or bruise, that's just part of the
learning trail.

I will take myself to a higher level, and LOVE 101, L . O . V . E .
because I LOVE what's in myself, and I LOVE my community.

The journey of success is part of me, so I know I will succeed!
I'm a winner, oh yes indeed, LOVE 101, I will succeed!

The journey of success is part of us, so I know, we will succeed!
We are winners, oh yes indeed, with L . O . V . E ., we will
succeed!
